Planning Commission: The Right to Farm Act, language will be developed regarding 10 acre parcels and restrictions on horses as well as Ethanol production and will be included in the Zoning Ordinance revision. Decided not to update the census numbers in the Master Plan at this time. Copies of the checklist will be taken to the Tri Twp meeting to complete after discussion with Alcona and Hawes Townships on Nov. 4. A third study session has been scheduled for Tuesday, October 18.

Z.A. report: Checked on Dale Rondeau sign, he is still working. Notices sent to VFW Hall owners and owners at 5737 Mt. Maria for clean up.

Ron Young was contacted by Supervisor to grade and mow corners on Cedar Drive

Thornton stated the archeological digs are completed at the park. Now they will contact Michigan State University who did previous digs.

Citizen comments: Harold Abbott presented pictures of fence Mr. Szor installed. He is not happy with the way his side looks. Also Barb Abbott is concerned about how close to the road the fence comes out blocking their view entering the roadway. Nancy told Abbott he could paint his side of the fence to beautify it, also the fence is within the property lines.

Motion Thornton seconded Scott to adjourn at 7:30 p.m. Carried.

Helen Timm, Clerk
